Subpart A—Procedures and General Standards

§ 1572.1 Applicability.

This part establishes regulations for credentialing and security threat assessments for certain maritime and land transportation workers.

§ 1572.3 Scope.

This part applies to—

- (a) State agencies responsible for issuing a hazardous materials endorsement (HME); and
- (b) An applicant who—
 - (1) Is qualified to hold a commercial driver's license under 49 CFR parts 383 and 384, and is applying to obtain, renew, or transfer an HME; or
 - (2) Is applying to obtain or renew a TWIC in accordance with 33 CFR parts 104 through 106 or 46 CFR part 10; is a commercial driver licensed in Canada or Mexico and is applying for a TWIC to transport hazardous materials in accordance with 49 CFR 1572.201; or other individuals approved by TSA.

[72 FR 3595, Jan. 25, 2007, as amended at 72 FR 55048, Sept. 28, 2007]

§ 1572.5 Standards for security threat assessments.

- (a) **Standards.** TSA determines that an applicant poses a security threat warranting denial of an HME or TWIC, if—
 - (1) The applicant has a disqualifying criminal offense described in 49 CFR 1572.103;
 - (2) The applicant does not meet the immigration status requirements described in 49 CFR 1572.105;
 - (3) TSA conducts the analyses described in 49 CFR 1572.107 and determines that the applicant poses a security threat; or

(4) The applicant has been adjudicated as lacking mental capacity or committed to a mental health facility, as described in 49 CFR 1572.109.

(b) **Immediate Revocation/Invalidation.** TSA may invalidate a TWIC or direct a State to revoke an HME immediately, if TSA determines during the security threat assessment that an applicant poses an immediate threat to transportation security, national security, or of terrorism.

(c) **Violation of FMCSA Standards.** The regulations of the Federal Motor Carrier Safety Administration (FMCSA) provide that an applicant is disqualified from operating a commercial motor vehicle for specified periods, if he or she has an offense that is listed in the FMCSA rules at 49 CFR 383.51. If records indicate that an applicant has committed an offense that would disqualify the applicant from operating a commercial motor vehicle under 49 CFR 383.51, TSA will not issue a Determination of No Security Threat until the State or the FMCSA determine that the applicant is not disqualified under that section.

(d) **Waiver.** In accordance with the requirements of § 1515.7, applicants may apply for a waiver of certain security threat assessment standards.

(e) **Comparability of Other Security Threat Assessment Standards.** TSA may determine that security threat assessments conducted by other governmental agencies are comparable to the threat assessment described in this part, which TSA conducts for HME and TWIC applicants.

(1) In making a comparability determination, TSA will consider—

(i) The minimum standards used for the security threat assessment;

(ii) The frequency of the threat assessment;

(iii) The date of the most recent threat assessment; and

(iv) Whether the threat assessment includes biometric identification and a biometric credential.

(2) To apply for a comparability determination, the agency seeking the determination must contact the Assistant Program Manager, Attn: Federal Agency Comparability Check, Hazmat Threat Assessment Program, Transportation Security Administration, 601 South 12th Street, Arlington, VA 20598-6019.

(3) TSA will notify the public when a comparability determination is made.

(4) An applicant, who has completed a security threat assessment that is determined to be comparable under this section to the threat assessment described in this part, must complete the enrollment process and provide biometric information to obtain a TWIC, if the applicant seeks unescorted access to a secure area of a vessel or facility. The applicant must pay the fee listed in 49 CFR 1572.503 for information collection/credential issuance.

(5) TSA has determined that the security threat assessment for an HME under this part is comparable to the security threat assessment for TWIC.

(6) TSA has determined that the security threat assessment for a FAST card, under the Free and Secure Trade program administered by U.S. Customs and Border Protection, is comparable to the security threat assessment described in this part.

I understand that a knowing and willful false statement, or an omission of a material fact on this application can be punished by fine or imprisonment or both (See section 1001 of Title 18 United States Code), and may be grounds for denial of a hazardous materials endorsement.

(e) The applicant must certify the following statement in writing:

I acknowledge that if the Transportation Security Administration determines that I pose a security threat, my employer, as listed on this application, may be notified. If TSA or other law enforcement agency becomes aware of an imminent threat to a maritime facility or vessel, TSA may provide limited information necessary to reduce the risk of injury or damage to the facility or vessel.

§ 1572.11 Applicant responsibilities for HME security threat assessment.

- (a) **Surrender of HME.** If an individual is disqualified from holding an HME under 49 CFR 1572.5(c), he or she must surrender the HME to the licensing State. Failure to surrender the HME to the State may result in immediate revocation under 49 CFR 1572.13(a) and/or civil penalties.

 - (3) TSA serves an Initial Determination of Threat Assessment and Immediate Revocation on the applicant, the applicant's employer where appropriate, and the State, if TSA determines that the applicant does not meet the security threat assessment standards described in 49 CFR 1572.5 and may pose an imminent threat to transportation or national security, or of terrorism. - (5) If the applicant appeals the Initial Determination of Threat Assessment or the Initial Determination of Threat Assessment and Immediate Revocation, the procedures in 49 CFR 1515.5 or 1515.9 apply.
- (6) Applicants who do not meet certain standards in 49 CFR 1572.103, 1572.105, or 1572.109 may seek a waiver in accordance with 49 CFR 1515.7.

§ 1572.403 Procedures for collection by States.

This section describes the procedures that a State, which collects fingerprints and applicant information under 49 CFR part 1572; and the procedures an individual who applies to obtain or renew an HME, for a CDL in that State, must follow for collection and transmission of the Threat Assessment Fee and the FBI Fee.

- (a) **Imposition of fees.**
 - (1) An individual who applies to obtain or renew an HME, or the individuals' employer, must remit to the State the Threat Assessment Fee and the FBI Fee, in a form and manner approved by TSA and the State, when the individual submits the application for the HME to the State.
 - (2) TSA shall publish the Threat Assessment Fee described in this subpart for an individual who applies to obtain or renew and HME as a Notice in the FEDERAL REGISTER. TSA reviews the amount of the fees periodically, at least once every two years, to determine the current cost of conducting security threat assessments. Fee amounts and any necessary revisions to the fee amounts shall be determined by current costs, using a method of analysis consistent with widely accepted accounting principles and practices, and calculated in accordance with the provisions of 31 U.S.C. 9701 and other applicable Federal law.
 - (3) The FBI Fee required for the FBI to process fingerprint identification records and name checks required under 49 CFR part 1572 is determined by the FBI under Public Law 101-515. If the FBI amends this fee, the individual must remit the amended fee.
- (b) **Collection of fees.**

- (1) A State must collect the Threat Assessment Fee and FBI Fee, when an individual submits an application to the State to obtain or renew an HME.
- (2) Once TSA receives an application from a State for a security threat assessment under 49 CFR part 1572, the State is liable for the Threat Assessment Fee.
- (3) Nothing in this subpart prevents a State from collecting any other fees that a State may impose on an individual who applies to obtain or renew an HME.

(c) **Handling of fees.**

- (1) A State must safeguard all Threat Assessment Fees, from the time of collection until remittance to TSA.
- (2) All Threat Assessment Fees are held in trust by a State for the beneficial interest of the United States in paying for the costs of conducting the security threat assessment, required by 49 U.S.C. 5103a and 49 CFR part 1572. A State holds neither legal nor equitable interest in the Threat Assessment Fees, except for the right to retain any accrued interest on the principal amounts collected pursuant to this section.
- (3) A State must account for Threat Assessment Fees separately, but may commingle such fees with other sources of revenue.

(d) **Remittance of fees.**

- (1) TSA will generate and provide an invoice to a State on a monthly basis. The invoice will indicate the total fee dollars (number of applicants times the Threat Assessment Fee) that are due for the month.
- (2) A State must remit to TSA full payment for the invoice, within 30 days after TSA sends the invoice.
- (3) TSA accepts Threat Assessment Fees only from a State, not from an individual applicant for an HME.
- (4) A State may retain any interest that accrues on the principal amounts collected between the date of collection and the date the Threat Assessment Fee is remitted to TSA, in accordance with paragraph (d)(2) of this section.
- (5) A State may not retain any portion of the Threat Assessment Fee to offset the costs of collecting, handling, or remitting Threat Assessment Fees.
- (6) Threat Assessment Fees, remitted to TSA by a State, must be in U.S. currency, drawn on a U.S. bank, and made payable to the "Transportation Security Administration."
- (7) Threat Assessment Fees must be remitted by check, money order, wire, or any other payment method acceptable to TSA.
- (8) TSA will not issue any refunds of Threat Assessment Fees.
- (9) If a State does not remit the Threat Assessment Fees for any month, TSA may decline to process any HME applications from that State.
